

SERVICES CAPABILITY STATEMENT

Maintenance

“ AT SLADE INDUSTRIES WE WHOLEHEARTEDLY APPRECIATE THE IMPORTANCE OF MAINTAINING THE INTELLIGENCE OF A FACILITY. NOT ONLY WILL WE ENSURE AN EFFICIENT PROGRESSION THROUGH THE EARLY STAGES OF A PROJECT, WE CAN ENSURE THAT YOUR FACILITY MAINTAINS ITS INTEGRITY AND INTELLIGENCE BY PROVIDING ONGOING MAINTENANCE SERVICES. ”

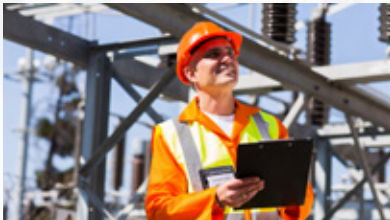

IT IS VITAL THAT YOUR PLANT OR FACILITY HAVE THE CAPABILITY TO RUN LONG-TERM WITH MINIMAL DOWNTIME.

The only way to ensure that this goal is achieved is to enlist a dedicated maintenance company. Whilst other companies may be more multidisciplinary, at Slade Industries we specialise in Electrical, Instrumentation and Control. We are committed to the successful maintenance of your facility so you don't have to worry about any unforeseen downtime, as we are specialists we truly have the capabilities to do so. We work to maximise the uptime of your facility and capitalise on our strengths to ensure efficiency.

“ AT SLADE INDUSTRIES WE BOAST A DIVERSE AND HIGHLY EXPERIENCED GROUP OF SPECIALISTS, SO WE ARE ABLE TO CREATE YOUR IDEAL TEAM, SUITED DIRECTLY TO YOUR NEEDS. ”

MAINTENANCE

AT SLADE INDUSTRIES WE CAREFULLY SELECT OUR STAFF TO ENSURE THEY ARE THE BEST FIT FOR BOTH YOU AND YOUR FACILITY.

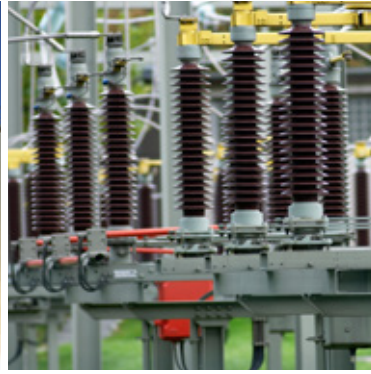

We look at each and every project with new eyes to verify that we fully understand the plant or facilities needs and then move forward with maintenance staff selection from there. At Slade Industries we boast a diverse and highly experienced group of specialists, so we are able to create your ideal team, suited directly to your needs.

'Best Practices' isn't just a term we throw around lightly. It is a standard we have set for ourselves at Slade Industries, from the CEO to each and every specialist we employ. We deliver superior maintenance services and work hard to ensure efficiencies. Everyone who wears the name 'Slade Industries', breathes our values and we value integrity, honesty, hard work and success.

In addition to our standout specialists, we also have the capabilities to apply new technologies in order to improve the electrical, instrumentation and control maintenance information you receive. Everything from records management, scheduling to technical documentation is done with the newest available technology to better improve information quality and future efficiencies.

“ EVERYONE WHO WEARS THE NAME 'SLADE INDUSTRIES', BREATHES OUR VALUES AND WE VALUE INTEGRITY, HONESTY, HARD WORK AND SUCCESS. ”
